Handout TGJ3M Olson Masking 2010 - The files that you need are in the Masking Quiz Folder

1. mask (cut-out) Kelly – make sure that you don't take too little. i.e. leave green.  
Also be sure that you don't cut into Kelly. If you do repair it.
2. Open the background 2 image. Place your masked Kelly image on the background. Be sure to size Kelly to an appropriate and pleasing size.
3. Save your work to your finished photoshop folder. **masking\_firstname\_lastname.jpg**
4. Burn your test on your DVD.
